

## Summer Wind Symphony Camp 2026

### Junior Coaches Application Package

Thank you for your interest in applying for a Junior Coach position for the 2026 Summer Youth Wind Symphony Camp. Please read through the following guidelines carefully prior to submitting your application. Application forms can be found at the end of this package. We look forward to reviewing your application!

**Application Deadline:** March 31<sup>st</sup> 2026

#### **What is a Junior Coach?**

A junior coach is passionate about music and mentoring young aspiring musicians. The coach attends the Junior Wind Symphony Camp to assist in daily tasks and act as a role model in rehearsal etiquette, musicianship, and capability on their instrument. A junior coach does not replace the role of the professional musician coaches who will be working with students for sectionals, but will play an important role in fostering and enhancing the camp experience for young students.

#### **What do I receive in exchange for becoming a Junior Coach?**

In return for a junior coach's dedication during the Junior Wind Symphony Camp, junior coaches receive a 50% discount on tuition for the following Senior Wind Symphony Camp. Junior coaches will also receive a letter of recommendation from the Executive Director or Conductor of the Vancouver Youth Wind Symphony and proof of volunteer services.

#### **What if more than one person applies on my instrument?**

Due to the nature of junior coaches and their pivotal role in the junior wind symphony camp, we are limiting the number of junior coaches to one per instrument. In the event that more than one qualified student applies for a position, we may ask for an in-person blind (anonymous) audition on your instrument to make the final decision. Further details are outlined on page 3, under section "What are In-Person Blind Auditions?".

#### **When are the Summer 2026 Wind Symphony Camps?**

**Junior Wind Symphony Camp Dates:**

Tuesday August 4 - Friday August 7 2026, 9:00am - 3:00pm

**Senior Wind Symphony Camp Dates:**

Monday August 10 - Friday August 14 2026, 9:30am - 4:30pm

**NOTE:** Junior Coach applicants must be able to attend both weeks to be eligible

### What are in-person blind auditions?

An in-person audition will only be required if more than one qualified person applies for a junior coaching position on their instrument.

A blind audition is common practice in professional orchestras to ensure fairness in the audition process. This means that the panel of judges and the performer are separated by a screen. The performer is expected to not speak or make noises that will reveal their identity and will perform a provided excerpt. The judges will only identify the performers by number.

We will have someone present to greet and randomly hand out numbers to performers who are auditioning. They will act as the main contact person if you have any questions during the audition process, or would like to relay something to the judges. This person does not hold any position within the judging process and is present strictly as a mediator for the audition process.

We feel that in the event of more than one qualified applicant on their instrument, this is the fairest way to determine who wins the junior coach position, especially as this is the first year that we are offering this opportunity.

In the event that in-person blind auditions need to be held, the proposed timeline is as follows:

**April 7 2026:** E-mails indicating whether you have been accepted as a junior coach, or if in-person anonymous auditions must be held. An excerpt will be attached to the email if you are required to participate in the audition.

**May 9 & 10 2026:** Tentative dates for in-person blind auditions, location TBD.

**May 11 2026 by 9:00pm:** E-mail notifications to all participants with results.

More detailed information will be sent out in the event that an in-person blind audition needs to be held. If you have any questions about this process, please feel free to reach out.
